#### **ARTICLE 4 – FINANCING THE STUDY MOBILITY PERIOD**

4.1  The beneficiary shall receive for the period from \_\_\_\_\_ to \_\_\_\_\_, i.e. \_\_\_\_\_ months and \_\_\_\_\_ days the financial support that shall amount to .....EUR, which makes it .....EUR monthly.

The total amount for the duration of the mobility is determined by multiplying the number of months of the mobility set out in Article 4.1 and the corresponding rate for the month for the respective host country. In the case of incomplete months, the financial support is calculated by multiplying the number of days in the incomplete month and 1/30 unit costs per month.

#### **4.2 Financial support for the beneficiary means:**

financial support from the EU funds

EU zero-grant

financial support from the EU sources in combinations with days of the EU zero-grant

4.4 The reimbursement of costs incurred in connection with special needs, when applicable, shall be based on the supporting documents provided by the participant.

4.5 The financial support may not be used to cover similar costs already funded by the EU funds.

4.6 Notwithstanding article 4.5, the grant is compatible with any other funding including revenue the participant could receive while working beyond the study stay plan when involved in activities listed in Annex I.

4.7 The financial support or part thereof shall be repaid if the participant does not comply with the terms of the agreement. 4.8 The amount of the grant is subject to the table of the Erasmus + scholarships and grants allocated in the relevant year.

4.9 The grant is intended to offset the increased living costs during the study stay abroad.

However, the coverage of the European Health Insurance Card or private insurance may not be sufficient, especially in the cases of repatriation and specific medical intervention. In that case, a complementary private insurance might be useful. It is the responsibility of the student's sending institution to ensure that the participant is aware of health insurance issues].*
