

Hey I'm Furkan Yilmaz. My original university is Istanbul Technical University from Turkey. I joined Erasmus Feb-June 2022 at Technical University of Liberec. I'm sharing my experience about my Erasmus experience.

First, I'm talking about Liberec. It is such a cheap city and this situation is so important for students. Because we don't want to spend a lot of money for accommodation and food :D and Liberec have this request. So, Liberec is so close to Prague, just 1 hours by bus from Liberec. Also, there is a lot of bus time between Liberec and Prague! And Prague is the heart of the EU. If you want to travel to another country from Prague, there are a lot to choose from. Have fun on your trip!

ESN Liberec was so crazy and we had a lot of parties and cultural interaction with each other. And I gained a lot of friends from around the world, from Portugal to India. We organized a traditional dinner party with my friends and we tasted a lot of cultural taste.

Our profs and Erasmus Coordinator, Daria, are such understanding and kind persons.

My memories will stay with me forever and ever. Thanks for lovely memories TUL ERASMUS.
